Monthly General Membership Meeting

55 Freeway – Extension? Where will all the cars go?

George Cardenas, spokesperson for the Orange County Transportation Authority will make the presentation. Current plans for the SR-55 include a proposed extension of the freeway from 19th Street to the surrounding area of Industrial Way, rejoining with Newport Boulevard. Due to land use impacts on adjacent businesses and resident areas, OCTA is working closely with Costa Mesa, Newport Beach and Caltrans through the SR-55 Access Study to develop a broad range of transportation alternatives to the freeway extension. Questions and answers will follow the presentation.

Reception: 5:00 – 6:00 pm (**with appetizers and a cash bar**)

Program: 6:00 pm
