## Newport Harbor Fee Increases and Improvements

The City is proposing to increase harbor fees for just about anyone who uses the harbor: party boats, commercial piers, residential piers, moorings, and other users. The City also proposes enhanced programs to improve the tidal resources. Who will pay? How much will they pay? What improvements will be made with such increased tidal resources? What is the function of the new Tidelands Management Committee in this process? Councilman Steve Rosansky (District 2) will be our guest speaker. Questions and answers will follow his presentation.
