## **The Value of Newport Beach's Back Bay** *presented by Dennis Baker,* *Newport Bay Naturalists and Friends*

Please join us for a presentation by Dennis Baker, President of the Newport Bay Naturalists and Friends from 2007-2009. The Upper Newport Bay (Back Bay) is a true gem in our area—and a valued resource not only for the people of the community, but for the wildlife that inhabits it as well. The Newport Bay Naturalists and Friends, a non-profit organization dedicated to preserving and restoring the ecosystems of the Upper Newport Bay, works with land owners, managers and the general public, offering education on preservation and the ecological value of the Bay and its watershed. Questions and answers will follow the presentation.
