Can Newport Beach afford Newport Beach?

In these challenging economic times many municipalities have to make difficult choices. The City of Newport Beach has a very high standard for services provided to the community and residents. What is our current financial situation? Will the City have to make adjustments? What, if any, changes can the residents expect to see in the future?

Tracy McCraner, Director of Administrative Services/City Treasurer and Susan Giangrande, Budget Manager will be our guest speakers. Questions and answers will follow the presentation.
