Renaissance II - Fashion Island

Fashion Island, which enjoys what is arguably the best outdoor shopping and dining location in the country, has embarked on an end-to-end program designed to transform the center's buildings and outdoor spaces with dramatic architectural enhancements, updated landscape and hardscape, new water features and more.

While these upgrades coincide with the arrival of important new merchants to the center, including Orange County's 6th full-line Nordstrom store, they also underscore the Irvine Company's ongoing commitment to reinvestment in its signature properties. The Company has owned and operated Fashion Island since it opened in 1967.

Throughout its 42 years, Fashion Island has been known for its unique collection of merchants, which includes luxury department stores, specialty boutiques, upscale restaurants and casual cafes, as well as its unparalleled ocean-view setting on the Newport Beach coast. Tanya Thomas, Sr. General Manager of Fashion Island will present these exciting new plans. Questions and answers will follow the presentation.
