Speak Up Newport's "2010" Membership Drive is on.

Speak Up Newport's success is derived from our diverse membership base. SUN programs are enhanced by the quality of our audience participation. Our meetings are intimate enough so that you can enjoy relating to our program presenters. We have been providing this public forum since 1979.

Recent meetings have included; John Wayne Airport Update with Tom Edwards, New Civic Center Project, Orange County Sheriff Sandra Hutchens, Harbor and Back Bay Dredging Project. Speak Up Newport is here to have these important issues presented and to give you an opportunity to have your concerns addressed and questions answered.

All membership dues monies are applied to our monthly mailing expense and to maintaining our website at www.speakupnewport.org. Your support will determine to our success.

General Memberships are twenty dollars. Sustaining Memberships are twenty-five dollars. Sustaining Member's names will be listed on our website for continuous recognition.

Renewing has never been easier! Save postage and the cost of buying checks.

You can renew online with credit card at: www.speakupnewport.org

Thank you for your support throughout the years and into Newport's future,
